

**INTERNS** (Opportunity to practice your skills and gain supervision on Multimedia & 3D Animation Production/Social Media Marketing / Digital Illustration/ Tech-Art Teaching/ Project & Studio Administration, etc.)

**Act Plus Studio** was founded in 2016, operated by Act Plus Education Foundation (Act+), consisting of professionals experienced in Computer Graphic, Animation & Visual Design. Our artists and technicians are committed to providing ground-breaking digital creation which brings the stories to life and enhances digital content with compelling immersion. We provide integrated services for our advertising, motion picture, corporate, entertainment, broadcast, and institutional clients.

**Act+** is a non-profit making organization founded by a team of professionals in 2012. A registered charity in Hong Kong (#91/12204). We develop the creative and technical skills of Hong Kong teenagers in computer graphics and animation. We equip them with adequate and effective communication skills. We inspire them with positive thinking and encourage them to pursue lifelong learning. We provide innovative services in education, career support and consultation to Hong Kong youth. Serving those from underprivileged families is a priority.
